- We must strive to extract the most from each student through a variety and dichotomy of teaching and learning processes.
- Our classrooms will utilise the resources provided to optimise those learning outcomes.
- Staff will prepare and plan with support staff to ensure that they too reflect the Leonora Creed.
- Support staff will be responsible for ensuring that they utilise their role for maximum teaching and learning impact.
- Our staff will be able to articulate what they are endeavouring to achieve and undertake in their classrooms.
- Staff will understand syllabus documents that pertain to their learning area responsibilities and devise learning programmes that relate back to the Framework and OSF.
- Leonora administration staff will work with and for teaching staff to support student learning. We will provide the necessary resources and collaborative approach that is required to achieve this.
